The Assistant Attorney General presented a memorandum in response to the request from the Board for legal advice regarding the interpretation of unlicensed practice of cosmetology when a licensee fails to renew their license by the expiration date as follows:

“My conclusion is that once the date of renewal has past and the licensee has failed to renew his or her license, the holder of the license is disqualified from performing cosmetology services until requirements for reinstatement are met. However, the licensee has a period of six months from the applicable date of renewal in which a licensee can renew their license if they meet the requirements for reinstatement, as well as, pay a late renewal fee that may be assessed by the Board. If the licensee fails to renew within the six month period following expiration of the license, his or her license is considered revoked by operation of law and the licensee is required to apply to the Board for reinstatement, pay a reinstatement fee and meet other such conditions as the Board may deem necessary.”

The Board approved the language for letters to salon owners regarding salon names.

The Board requested that the Assistant Attorney General present proposed revisions to Administrative rules to facilitate mobile salons at the May 2008 Cosmetology Board meeting.

**Kay Kendrick moved, John Siggers seconded, and the Board voted unanimously** to request that DL Roope Administrations, Inc. add additional attachments (Procedures for Applying for Examination) to the apprentice examination application.

The Assistant Attorney General submitted a status and activity report for Cosmetology Board citation cases.

No further business was conducted. The meeting adjourned at 3”30 pm.
